“The total energy content of the heat stored underground exceeds our annual energy demand as a planet by a factor of a billion. So tapping into a fraction of that is more than enough to meet our energy needs for the foreseeable future,” said Houde (Matt Houde, co-founder and project manager at Quaise Energy).

My boss arrived at work in a brand new Lamborghini. I said, “Wow, that’s an amazing car!” He replied, “If you work hard, put all your hours in, and strive for excellence, I’ll get another one next year.”

* * * * *

We were doing renovations in our home and when we knocked down a wall, we were surprised when we found a fully furnished secret room!!

Then I remembered that “we live in a duplex!

Worth A Glance

“Gaslighting” was named as Mirriam-Webster’s word of the year.

They define it as “psychological manipulation of a person over an extended period of time that causes the victim to question” their reality.

“A new type of insect-repellent delivery device has been developed by scientists from the Martin Luther University Halle-Wittenberg (MLU). With the help of a 3D printer, the active ingredient is first “encapsulated” and formed into the desired shape, such as a ring, which can then be worn and releases an agent designed to repel mosquitoes for a long time.”

[THE BRIGHTER SIDE](#) (10/23/22)

Our mission is to enrich fellow baby boomer’s and silent gen’s technology skills to enable you (or a loved one) to have more fun online while also being safer.

Learn to be more effective on your computer, tablet or smartphone. Help to avoid being ripped off by scams or falling for sales ploys that frankly rob us of our hard earned resources. (Click below right to learn more.)

Judy and Michael

Short Video

A “Short” is a video that lasts anywhere from just a couple of seconds to two minutes depending on the social media platform it is on. It plays and automatically repeats until you close it.

Sidney Raz shows us that if you store your plastic wrap in the freezer it unrolls much easier.

View it on [TikTok](#) and look for other things Sidney "didn't know until he was 30".
